RB FREIGHT

FREIGHT & LOGISTICS CAPABILITY STATEMENT

Built on industry experience. Focused on reliable logistics.

ABOUT US

RB Freight is the freight and logistics division of *RB Mechanical*, an established business with more than 10 years of experience in diesel fitting and industrial environments.

RB Mechanical has worked across Australia, building practical experience in industrial operations where safety, efficiency and dependable service are essential.

In 2026, the business expanded into freight and logistics to support growing transport requirements across Queensland and interstate.

As part of this expansion, RB Freight has brought family experience into the business, with Reed's father joining the team after more than 30 years of experience in the transport industry and professional truck driving. His knowledge of the industry, roads and day-to-day demands of heavy vehicle operations adds valuable experience and a personal connection to the business.

For RB Freight, this expansion represents more than simply entering the transport industry — it is about building on decades of hands-on experience and bringing that knowledge into the next generation of the family business.

FREIGHT & LOGISTICS CAPABILITIES

RB Freight provides flexible freight and transport solutions across Queensland and interstate, tailored to customer schedules, delivery locations and site requirements.

Our focus is efficient planning, safe handling and clear communication from pickup through to delivery.

General Freight Capability — Safe and reliable transportation for a wide range of freight requirements, with a focus on careful handling and timely delivery. With practical coordination of pickups, deliveries and requirements.

Industrial Freight — Transport solutions suited to industrial, mining, construction and engineering environments. Including machinery, equipment and industrial assets.

Local & Regional Transport — Based in Queensland, RB Freight provides flexible transport solutions for local, regional and long-haul freight movements. We can support customers with transport requirements across Queensland, interstate and longer-distance routes, with solutions tailored to the specific requirements of each job.

Scheduled Transport — Planned and recurring freight services available, tailored to customer requirements.

SAFETY & COMPLIANCE

Safety and compliance are fundamental to RB Freight. With more than 10 years of industrial experience, we understand the importance of safe, responsible and professional operations.

We place a strong emphasis on risk management, secure freight handling, vehicle safety and clear communication, while working with customers to meet specific site and transport requirements.

We are committed to meeting applicable workplace health and safety and transport obligations.

RB FREIGHT

Our goal is simple: every load delivered safely, responsibly and reliably.

WHY CHOOSE RB FREIGHT

Industry Experience - More than 10 years of hands-on experience in mechanical and industrial environments & 30 years of transport experience.

Reliability - Dependable freight solutions focused on safe and timely delivery.

Safety - A strong commitment to responsible transport, freight handling and site requirements.

Practical Solutions - Straightforward logistics solutions designed around each customer's requirements.

Regional Experience - Working across Queensland and interstate.

Communication - Clear and responsive communication from pickup through to delivery.

OUR APPROACH

We understand that reliable logistics are an important part of keeping projects and operations moving.
RB Freight focuses on clear communication, responsible freight handling, dependable scheduling and practical solutions tailored to each customer's requirements.

RELIABLE. RESPONSIVE. PRACTICAL.

OUR GROWTH

RB Freight is continuing to expand its freight and logistics capabilities in line with customer needs. As the business grows, our focus remains on building strong customer relationships and delivering a dependable service backed by practical industry experience.

Growing with our customers. Delivering with confidence.
